Job Description

NCR Eduservices Pvt. Ltd. is hiring remote Maths and Science Tutors for part-time teaching. The role involves conducting online tutoring sessions, explaining academic concepts and helping students prepare for assessments and examinations.

Candidates should have strong subject knowledge and good communication skills. Freshers can also apply.

Key Responsibilities

- Conduct one-on-one online tutoring sessions.
- Teach Mathematics, Physics, Chemistry and Science.
- Explain concepts and problem-solving methods clearly.
- Prepare lesson plans based on students' learning needs.
- Help students prepare for tests and examinations.
- Use digital tools to create interactive learning sessions.
- Monitor student progress and provide regular feedback.
- Maintain a supportive learning environment.
- Follow curriculum standards and effective teaching practices.

Requirements

- Bachelor's degree in a relevant subject.
- Strong knowledge of the subjects being taught.
- Freshers and experienced candidates are welcome.
- Previous teaching or tutoring experience is an advantage.
- IGCSE teaching experience is preferred for the Maths and Science Tutor position.
- Excellent verbal and written communication skills.
- Ability to adapt teaching methods to different learning styles.
- Familiarity with online tutoring platforms is preferred.

Technical Requirements

- Laptop or desktop with Intel i5/i7 processor or equivalent.
- Working webcam and microphone or headset.
- Stable high-speed internet connection.
- Power backup for uninterrupted classes.

Benefits

- Work from home.
- Health insurance.
- Paid time off.

How to Apply

Interested candidates can share their updated CV through email at **kashish.pandey@jobors.com** or WhatsApp at **+91 7897404769**.
