MEDICAL TRANSCRIPTIONIST, REMOTE, SPATEL DATA SERVICES

DESCRIPTION

Spatel Data Services

Medical Transcriptionist and Proofers Required

Location: Remote

Job Type: Full-time

Work Mode: Work From Home

Contact HR: +91 6360573740

Email: hr@spateldataservices.com

Spatel Data Services is hiring experienced candidates for medical transcription work. The company is also looking for MTs and proofers. This is a remote full-time opening. Candidates should have good accuracy and attention to detail.

The work needs strong medical transcription knowledge. Proofreading skill is also important. The team wants people who can handle work carefully and in time.

Only experienced candidates should apply. This role is better for people who already know transcription or proofreading work.

What You Will Do

- Transcribe medical records correctly
- Proofread documents with care
- Check spelling and grammar
- Maintain quality in every file
- Follow instructions and deadlines
- Support remote transcription work

What You Need

- Experience in medical transcription
- Experience in proofreading

- Good attention to detail
- Strong typing and reading skills
- Ability to work from home
- Good work discipline

This is a full-time remote position. Candidates should send their resumes by email. The company contact number is also available for direct communication.
