eQOURSE is hiring a **Multilingual Adobe Designer & PDF Specialist** for Kannada document localization. The work involves updating English training materials with provided Kannada content.

The original layout, design, fonts, graphics and formatting must remain unchanged.

Translation is not required.

Key Responsibilities

- Replace English text with provided Kannada content.
- Edit existing PDF and Adobe files.
- Maintain the original layout and branding.
- Preserve fonts, colours, graphics and images.

- Fit Kannada text correctly into existing areas.
- Check spacing, alignment and text overflow.
- Ensure Kannada Unicode characters display correctly.
- Compare localized files with the original.
- Prepare final PDFs in the original format.

Required Skills

- Hands-on Adobe Acrobat Pro, Illustrator or Photoshop experience.
- Experience editing existing PDF or Adobe files.
- Good knowledge of Kannada Unicode.
- Strong attention to detail.
- Ability to maintain the original document design.
- Good document reconstruction and DTP skills.

Important Note

The company will provide the translated Kannada content. The candidate only needs to replace and format the content while keeping the original design unchanged.

How to Apply
