Job Overview

This role is for teaching small children in preschool classes. Work is about guiding kids in basic learning, activities, and building a friendly classroom environment. Teacher should be calm, active, and good with children.

Required Skills

- Good spoken English and communication
- Preschool or early teaching experience (2–6 years preferred)
- Friendly and patient nature
- Ability to manage classroom smoothly
- Skill to conduct storytelling, rhymes, phonics and activities
- Basic understanding of early childhood teaching methods

Qualifications Preference

- Early Childhood Education knowledge
- ECCEd / Montessori / Nursery Teacher Training (preferred)
- Teaching experience in preschool
- Good communication skills

Responsibilities

- Handle Nursery, PP1 and PP2 classes
- Create safe and positive learning space for children
- Conduct daily activities and lesson plans
- Support emotional and social growth of children
- Talk with parents about child progress
- Help in school events and classroom decoration

Work Culture

School gives supportive environment and activity-based teaching style. Focus is on child-friendly learning and creativity. Immediate joining is preferred.

Application Process

Send resume on email or WhatsApp for selection process. Shortlisted candidates will be called for interview.
