Elevate Learners Online Global Tuition is hiring online teachers for different subjects. Currently the company is looking for Accountancy teachers for Class 10 students. Candidates with good teaching skills and subject knowledge can apply. This is a fully remote opportunity. Teachers can choose their own timing for classes.

The selected teachers will conduct one to one online classes for students. Candidates should explain topics in simple and easy ways. Lesson planning and student support will also be part of the work. Good communication and regular class management are important for this opportunity. Teachers should maintain professional behaviour during online sessions.

Responsibilities

- Conduct one to one online classes
- Teach Accountancy subjects clearly
- Prepare lesson plans for students

- Support students with doubts and learning
- Maintain proper communication with students
- Manage online teaching sessions professionally

Candidates with teaching experience will get preference. Strong subject knowledge and communication skills are required. A stable internet connection and laptop or computer are necessary for online classes. Candidates should also have a quiet teaching environment at home.

Benefits

- Work from home opportunity
- Flexible class timing
- Good hourly payment
- Regular students
- Weekly or monthly payments
- Professional teaching platform
- Growth opportunities

This opportunity is suitable for teachers tutors and subject experts who want part time online teaching work. Candidates interested in CBSE ICSE IGCSE and AS Level teaching can also apply easily.
