DESCRIPTION

STEM Ambassador (Outreach)

GrowBot by CARISTRRA is hiring a STEM Ambassador for outreach activities. This is a part-time remote opportunity. The role is simple and flexible. It focuses on spreading awareness about STEM learning programs for children. The work can be done from anywhere in India.

Contact Number: +91 7994562100

About the Work

This is a work from home opportunity. The role is commission based. You will help promote STEM, coding, robotics and AI learning programs for children aged 8 to 16. The company is founded by IIT alumni. The work is flexible and suitable for part-time engagement.

What You Will Do

- Share information about GrowBot programs in your community
- Promote details through WhatsApp Instagram and word of mouth
- Connect interested parents with the admissions team
- Add leads into WhatsApp groups for follow up
- Stay connected until enrollment is completed
- Work with ready made creatives and posters provided by the company

What We Need

- Smartphone with WhatsApp and internet
- Good communication in local language

- Interest in education and children learning
- Ability to give 1 to 2 hours per week
- No sales experience required
- Freshers and non-working individuals can also apply

Earning Structure

You earn commission per successful enrollment. Total earning per student can go up to ₹800. Payments are structured across enrollment and follow-up milestones.

How It Works

You will get ready to use posters messages and brochures. You only need to share them. The admissions team handles counseling and fees. A WhatsApp group is created for transparency and tracking.

How to Apply

Click Apply Now and answer a few questions. Shortlisted candidates will be added to the GrowBot Ambassador WhatsApp community within 48 hours.
