Tues Techno Education Institution Private Limited is expanding its digital learning platform. The company is looking for **Online Educators and Course Creators** with existing teaching content.

Selected educators will provide pre-recorded lectures or structured course materials. The content will be published, marketed and monetized through the platform.

Key Responsibilities

- Provide pre-recorded video lectures or course materials.
- Ensure clear audio and good video quality.
- Keep lessons properly structured.
- Work with the team on course listings.

- Support module updates.
- Support student inquiries when required.

Requirements

- Existing self-produced video lecture content is required.
- Online teaching or video creation experience is accepted.
- Strong subject knowledge is required.
- Relevant areas include Web Development, Software & IT and Computer Fundamentals.
- Competitive Exam Preparation and Digital Skills are also relevant.
- Good verbal communication is required.
- Knowledge of online teaching tools is useful.
- Knowledge of screen recording or video editing setups is required.

Compensation & Benefits

- Incentive-based and revenue-sharing model.
- Earnings depend on course engagement and student enrollments.
- Content performance is also considered.
- Flexible working hours.
- Fully remote work.
- Wider content reach through official marketing channels.

How to Apply

Complete both application steps:

1. Official Registration

Visit **www.tuestechno.com** and submit the teacher application form.

2. Demo Submission

Send your sample teaching videos or video links with your resume.
