About the Company

Brandify Education is a growing education company. The company provides foreign language training and career-focused programs for students and working professionals.

They are hiring Online German Language Trainers for A1 to B2 levels. This is a freelance partnership opportunity with revenue sharing.

About the Work

The trainer will take live online German classes. Classes will be for group batches of students. The company wants trainers who can teach in an interactive and professional way.

Evening availability is important for this work. Trainers should be comfortable handling online sessions and student engagement.

Key Responsibilities

Brandify Education

Teaching and Training

- Conduct live online German classes from A1 to B2 level
- Teach speaking, listening, reading, and writing skills
- Handle batches of 15 to 20 students
- Keep sessions interactive and engaging
- Help students complete the course properly

Student Management

- Track student progress regularly
- Maintain discipline during online classes
- Support students with learning doubts
- Encourage participation in sessions

Required Skills

- Experience in teaching German language
- Good communication and presentation skills
- Ability to manage group classes
- Professional and committed attitude

Online Setup Needed

- Laptop or Desktop
- Stable high-speed WiFi
- Quiet teaching environment

Work Timing

Evening availability is required. Trainers should be available between 6:00 PM to 10:00 PM IST.

Who Can Apply

- Freelance trainers
- Experienced German language instructors
- Trainers looking for long-term collaboration

Earning Details

This is a performance-based revenue-sharing model. Earnings can increase depending on batch strength and performance.
