About The Work

You will design creative work for e-commerce and branding needs. You should know how to make clean and modern designs. The company also wants someone who can work on quick creative videos with generative AI knowledge.

You must be available from 10 AM to 5 PM.

Responsibilities

- Design Amazon and e-commerce wireframes
- Create carousel creatives
- Make packaging artwork and label designs
- Design brochures, banners, and social media creatives
- Keep brand style consistent

- Work with the team and meet deadlines
- Use generative AI for quick creative videos when needed

Requirements

- 4 to 5 years of graphic design experience
- Strong Adobe Illustrator knowledge
- Strong Adobe Photoshop knowledge
- CorelDRAW experience required
- E-commerce design experience required
- Packaging design experience required
- Good communication skills
- Good understanding of design briefs
- Able to work on a capable computer or laptop
