About the Company

Educatify is an online tutorial platform focused on delivering quality education through expert tutors. The platform helps students learn effectively with structured lessons and personalized guidance.

Job Overview

We are looking for experienced tutors to teach Maths and Reasoning subjects through online classes. You will conduct engaging sessions and help students improve their problem-solving skills.

Responsibilities

- Conduct structured online classes for Maths and Reasoning
- Prepare lesson plans, worksheets, and practice materials
- Help students improve exam performance and understanding
- Track student progress and provide regular feedback

- Maintain professionalism and teaching quality
- Coordinate with the academic team

Subjects to Teach

- Mathematics
- Verbal Reasoning
- Non-Verbal Reasoning
- Numerical Reasoning
- Abstract Reasoning

Eligibility Criteria

- Prior teaching experience is required
- Strong knowledge of Maths and Reasoning
- Excellent communication and explanation skills
- Comfortable using online tools like Zoom or Google Meet
- Reliable internet connection and proper setup

Benefits & Work Mode

- Work from home
- Flexible teaching hours
- Supportive academic team
- Competitive pay based on experience
