### About the Company

Newlife Mindverse is a creative organization focused on calm working and quality content creation. The company believes in stress-free work and encourages creative thinking.

### Job Overview

This is a work from home video editor role where you will create engaging videos for social media and other platforms. If you enjoy editing and storytelling, this job is a great opportunity.

### Responsibilities

- Edit raw videos into high-quality content
- Add transitions, effects, music, subtitles, and graphics
- Work with team to understand video needs
- Maintain consistent brand style and quality
- Optimize videos for Instagram, YouTube, and websites

- Deliver projects on time

### Skills Required

- Knowledge of video editing tools (Premiere Pro, After Effects, Final Cut Pro, etc.)
- Basic understanding of storytelling and video flow
- Creativity and attention to detail
- Ability to work independently
- Good time management

### Eligibility

- Freshers can apply
- Experience in video editing is a plus
- Strong portfolio or sample work preferred
- Malayalam language is a bonus (not required)

### Work Details

- Fully remote work from home
- Flexible working hours
- Peaceful work environment
- Payment based on number of videos
- No high-pressure deadlines

### How to Apply
