Ziyyara Edutech is an online education platform offering personalized **1-to-1 live tutoring** for students from different curricula. The company is looking for experienced PCM teachers to teach Grades 9–12 through online classes.

Teachers with expertise in **Physics, Chemistry, Mathematics, or a combination of these subjects** can apply. Experience with international-board students is preferred.

Subjects

- Physics
- Chemistry
- Mathematics

Preferred International Curricula

- **IB – MYP / DP**
- **Cambridge – IGCSE / AS & A Level**
- **Pearson Edexcel – IGCSE / International GCSE / AS & A Level**
- Other international curricula

Key Responsibilities

- Conduct engaging **1-to-1 live online classes**.
- Teach according to the student's curriculum and academic needs.
- Prepare structured lesson plans and practice questions.
- Create revision plans for students.
- Help with assignments and homework.
- Support examination preparation.
- Develop conceptual understanding and problem-solving skills.
- Conduct assessments and provide feedback.
- Maintain punctuality and regular attendance.
- Coordinate professionally with the academic team.

Requirements

- Bachelor's or Master's degree in **Physics, Chemistry, Mathematics, Engineering, Education**, or a relevant subject.
- B.Ed. or relevant teaching qualification is preferred.
- **Minimum 2 years of teaching experience is preferred.**
- Strong subject knowledge.
- Excellent communication skills.
- Experience teaching **IB, Cambridge, Edexcel, or other international curricula** is preferred.
- Prior online teaching experience is an advantage.
- Understanding of international examination patterns and assessments.
- Laptop or desktop with a stable internet connection.
- Suitable online teaching setup.
- Willingness to conduct a **demo class** during the selection process.

Key Skills

- Physics
- Chemistry
- Mathematics
- International Board Teaching
- IB
- Cambridge
- Edexcel
- Online Teaching
- 1-to-1 Tutoring
- Lesson Planning
- Exam Preparation
- Concept Building
- Student Assessment

What the Company Offers

- **Work-from-home opportunity.**
- Flexible teaching assignments.
- Personalized 1-to-1 teaching environment.
- Opportunity to teach international-board students.
- Academic and coordination support.
