The Social Builders is looking for a creative Photographer & Videographer in Ludhiana. The work involves shooting photos and videos for brands, products and social media campaigns.

Key Responsibilities

- Shoot photos and videos for brands and products.
- Create Instagram Reels and promotional videos.
- Handle cameras, lenses and lighting equipment.
- Capture creative angles and quality footage.
- Work with the creative and social media team.
- Deliver content on time.
- Follow the latest photography and video trends.

Skills Required

- Good knowledge of photography and videography.
- Experience with DSLR, mirrorless cameras and iPhones.
- Understanding of lighting, framing and camera settings.

- Creative eye for visual content.
- Basic video editing knowledge is preferred.
- Ability to work in a team and meet deadlines.

What the Company Offers

- Opportunity to work with different brands.
- Exposure to professional campaigns.
- Freedom to try creative shooting styles.
- Supportive work environment.
- Paid sick leave and paid time off.

How to Apply

Send your updated resume and portfolio or previous work samples on WhatsApp.

Work Location: Ludhiana, Punjab (Office-based).
