Contact Number: +91 7994266768

Micheal Works is hiring Video Editors for remote work. The company is looking for editors who can match the editing style shared in the post. The work is for a fast-growing YouTube automation agency.

This is a remote opportunity. You can work from anywhere. The job is project-based. The company wants editors who can handle the sample task and have past work to show.

You should only apply if you can edit in a style similar to the reference shared by the company. They want reliable and creative editors. They also mention that you must share your resume and work samples on WhatsApp only.

Responsibilities

- Edit videos in the required YouTube automation style

HIRING ORGANIZATION

Micheal Works

EMPLOYMENT TYPE

Part-time

JOB LOCATION

? Remote work from: India

- Work with Adobe Premiere Pro and Adobe After Effects
- Follow the sample style shared by the company
- Share past work or portfolio
- Complete a 30 second sample when asked
- Work on project-based editing tasks

The post clearly asks for editors who already have work to show. Behance profile past work or a resume can be shared on WhatsApp. Candidates without samples should not apply.

The company says the pay is ?200 per minute for this editing style. The post also mentions flexible schedule and work from home. This is suitable for candidates who are comfortable with freelance or part-time editing work.

Requirements

- Adobe Premiere Pro skills
- Adobe After Effects skills
- Video editing experience
- Portfolio or past work samples
- Ability to follow a specific editing style
- Willingness to do a sample task

The company has asked candidates not to call. WhatsApp contact is preferred for this opening.
