About the Company

Bibekgarh Foundation is hiring a Print and Digital Designer for publication work. The company is looking for creative candidates who can design books, magazines, reports, and communication materials.

The work includes both print and digital design tasks. Candidates should have good design understanding and attention to detail.

About the Work

The selected candidate will work with content and research teams. The work includes formatting, layout design, typography, and preparing print-ready files.

The role is suitable for candidates interested in publication and long-form document design.

Key Responsibilities

Design and Layout Work

- Design books and magazines
- Create reports and communication materials
- Handle layout and formatting work
- Maintain proper typography and structure
- Prepare print-ready and digital files
- Create PDF and eBook formats

Content Coordination Work

- Work with research and content teams
- Coordinate revisions and final outputs
- Maintain design consistency across platforms
- Adapt designs for print and digital use

Required Skills

- Knowledge of InDesign, Illustrator, Photoshop, or CorelDRAW
- Good typography understanding
- Long-form document design knowledge
- Strong formatting skills
- Attention to detail
- Ability to work with English and Hindi text

Language Requirements

- Punjabi language proficiency is mandatory
- Reading, writing, speaking, and understanding Punjabi required
- Knowledge of Gurmukhi script preferred
- Basic Gurbani understanding is a plus

Benefits

- Flexible work schedule
- Hybrid working opportunity
- Creative publication projects
- Learning and growth opportunity

Who Can Apply

- Freshers
- Experienced designers
- Publication designers
- Candidates with print and digital design skills

- Punjabi language proficient candidates

How to Apply

Interested candidates should send their CV to the email below or contact through call or WhatsApp.
