PRODUCTION AND PURCHASE WORK (FULL-TIME) – AUTOMOTIVE MANUFACTURING

DESCRIPTION

Automotive Manufacturing Company

Work Mode: On-Site
Location: Doraha, Ludhiana
Industry: Automotive Manufacturing

Contact (Direct Email): resume1.cpi@gmail.com
WhatsApp Apply Link: <https://wa.me/919888955099>

This is a manufacturing company job where different technical and management roles are open. Work is related to production planning, vendor handling, and smooth factory operations. Candidate should have relevant automotive industry experience.

Open Positions

- Sr. Executive / Assistant Manager – PPC
- Sr. Engineer / Assistant Manager – VD / Purchase (BOP Parts)

Job Overview

Work includes production planning, vendor development, and coordination with different departments. Person will handle daily operational tasks in manufacturing setup and ensure smooth workflow.

Key Responsibilities

For PPC Role:

- Production planning and scheduling
- Inventory control and delivery management

- Coordination with production and stores
- Cost efficiency handling

For Purchase / VD Role:

- Vendor development for BOP parts
- Supplier negotiation and management
- Quality and delivery follow-up
- Cost control and component sourcing

Eligibility

PPC role needs 2 to 6 years experience. Purchase/VD role needs 3 to 8 years experience. Automotive industry experience is preferred and mandatory for second role.

Work Details

This is full-time industrial job in automotive manufacturing unit. Work requires coordination, planning, and vendor management skills.
