REMOTE BHOJPURI CONVERSATION RECORDING – FREELANCE PROJECT

BASE SALARY

INR 300 - INR 3000

DESCRIPTION

Bhojpuri Language Conversation Recording Participant

Company: Lingvora Solutions

Work Mode: Remote

Job Type: Freelance / Contract / Project-Based

Pay: ?300 per hour

Maximum Project Duration: 10 hours

Maximum Earning: ?3,000 per participant

Contact Number: +91 9172404251

Lingvora Solutions is hiring participants for a Bhojpuri Language Conversation Recording Project. This is a remote freelance opportunity. The work is project-based and focused on AI conversation data collection.

The company is looking for native or fluent Bhojpuri speakers. Participants will record natural two-person conversations to support AI speech recognition and language technology improvement. This project is suitable for candidates who already have experience in conversation recording or AI data collection work.

Each participant can work for up to 10 hours on the project. Payment is ?300 per hour for each participant. The maximum earning mentioned in the job post is ?3,000 per participant.
