Startek is hiring for Chat Support under an ecommerce customer service process. This is a permanent work from home position. The hiring office is in Kolkata, but the role itself is remote. The company is looking for candidates who can support customer service work from home.

This opening is suitable for freshers as well as experienced candidates. The main requirement mentioned in the job post is excellent English speaking skills. Candidates must also have their own laptop and Wi-Fi connection for this remote role.

The role is listed under customer service and chat support. It may involve helping customers with their queries and handling support process tasks in an ecommerce environment.

Key Details

- Customer service process
- Permanent work from home
- Salary up to ₹20,000 per month
- Freshers and experienced candidates can apply
- Graduation is not required

Candidates should have good communication skills in English. Own laptop and Wi-Fi connection are mandatory for this role. The company has not shared detailed shift or process information in the job post.

This is a remote customer support opening with a large number of vacancies. Interested candidates can contact the HR numbers mentioned below.
