DESCRIPTION

Job Role: Copywriting Lead

Company: Hypergen LLC

Industry: Marketing / Copywriting

Work Mode: Remote (Work From Home)

Employment Type: Contractor

Eligibility: No Degree Required

Experience: Required (Cold Email & Campaign Experience)

Contact Email: people@hypergen.io

This is a remote copywriting work. You will write cold emails and manage campaigns. Work needs creativity and strong understanding of outbound strategy. You will also use tools and AI for better results.

Main Responsibilities

- Write cold email sequences for clients
- Create strong hooks and messaging
- Work with team on campaign ideas
- Test and use new copywriting tools

Required Skills

- Experience in cold email writing
- Knowledge of campaign performance
- Familiar with outbound tools
- Good use of AI tools

Tools & Knowledge

- Clay, Apollo, Instantly, Smartlead
- Basic understanding of B2B marketing
- Personalization and targeting methods

Work Benefits

- Fully remote work
- Modern tools and systems
- Performance-based incentives

Creative work with focus on results and strategy.

How to Apply

Send your CV and 2–3 cold email samples to people@hypergen.io.
