Decode Life Transformation is hiring a Customer Relationship Consultant. This is a remote and flexible opening. The work is focused on speaking with prospects from webinars and guiding them with care. Freshers can also apply.

What You Will Do

You will connect with prospects in a simple and human way. You will understand their goals and challenges. You will guide them to the right DLT program.

- Talk with prospects from webinars.

- Understand needs through real conversations.
- Guide people toward the right program.
- Handle calls, WhatsApp, and follow-ups.
- Support the full journey from first call to enrolment.

What They Need

The company wants a graduate from any discipline. Hindi and English should be fluent. Good listening and patience are important. Weekend availability is also needed.

- Graduate in any discipline.
- Fluent in Hindi and English.
- Strong listening skills.
- Patience and good communication.
- Comfort with Excel, WhatsApp, and CRM.
- Weekend availability.
- 0–2 years of experience.
- Freshers welcome.

Benefits

This is a fully remote role. The timings are flexible. Training and mentorship are also provided.

- Work from home.
- Flexible hours.
- Competitive salary.
- Uncapped incentives.
- Complete training.
- Free access to workshops.
- Free access to mentor sessions.
- Mentorship from senior trainers.
- Paid sick time.
- Paid time off.
- Cell phone reimbursement.

How to Apply

Interested candidates can send their resume by email. They can also use the company website for more details.
