REMOTE EDTECH COMMUNITY MANAGER FOR ENGINEERING STUDENTS

BASE SALARY

INR 15000 - INR 20000

DESCRIPTION

StructLearn Pro – Education

Growth & Community Manager (Civil/Structural Engineer) | Remote | ?15,000 – ?20,000 per month + Sales Incentives

StructLearn Pro is hiring a Growth & Community Manager for its fast-growing EdTech platform. The company helps civil engineering students learn structural design in a visual and practical way. This is a fully remote opportunity.

The company wants someone who can take ownership. This is not only a posting work. You will help grow the student community and support content activities.

Contact Details

Email: structlearnpro@gmail.com

Website: [StructLearnPro](https://structlearnpro.com)

The work includes content creation, student engagement, and college outreach. Candidates with civil or structural engineering background are preferred.

What you will do

- Create content for Instagram, LinkedIn, WhatsApp, and Facebook
- Talk with civil engineering students daily
- Reply to community messages
- Help inactive users rejoin the platform
- Contact colleges and student clubs

- Support outreach activities
- Track content performance
- Share weekly improvement ideas

The company wants someone who works independently. Good communication in English and Hinglish is important.

Requirements

- B.Tech or BE in Civil/Structural Engineering
- Final year students can also apply
- Good English and Hinglish writing
- Interest in helping engineering students
- Self-motivated personality
- Basic social media understanding

Good To Have

- Experience in engineering clubs
- Knowledge of IS 456 concepts
- Basic video editing knowledge
- Experience with CapCut or Reels
- Existing Instagram, LinkedIn, or YouTube content

Benefits

- Work from home
- Flexible schedule
- Paid sick leave
- Paid time off
- Founder mentorship
- Platform access
- Real ownership in work
- Paid 2-week trial project

How To Apply

Do not send only a blank resume.

Send these details to structlearnpro@gmail.com:

- Resume or LinkedIn profile
- Any content sample
- Short paragraph about why you fit this opportunity

Applications without content samples may not be considered.

The company replies within 48 hours.

RESPONSIBILITIES

- Create content for Instagram, LinkedIn, WhatsApp, and Facebook
