Dolphin Consultants is hiring Freelance Recruiters across India. This is a remote freelance opportunity. The company is looking for experienced recruiters and talent acquisition professionals who want to work independently in recruitment.

This opening is for recruiters who are interested in sourcing and hiring talent for different client requirements. The company offers per-closure payouts instead of fixed salary. The earning depends on successful closures and performance.

Dolphin Consultants says recruiters can work remotely from anywhere in India. The company also mentions a collaborative work environment and performance-based rewards for top performers.

What the Company Offers

- Full-time freelance opportunity
- 100% remote work flexibility
- Attractive per-closure payouts
- Unlimited earning potential
- Performance-based contests and rewards
- Recognition for top performers
- Opportunity to work with a recruitment consultancy with 12+ years of experience

The payout for FLS positions is ₹5,000 to ₹15,000 per closure. The amount depends on the complexity of the requirement. The company has also mentioned that payout is released only after the selected candidate completes 90 days and clears the client background verification process.
