Educatify is hiring experienced tutors who can teach Mathematics and various reasoning subjects online. The role involves conducting engaging online classes, preparing study materials, and helping students improve their analytical and exam-solving skills.

Subjects to Teach:

- Mathematics
- Verbal Reasoning
- Non-Verbal Reasoning
- Numerical Reasoning
- Abstract Reasoning

Tutor Responsibilities:

- Deliver structured and engaging online Maths and Reasoning classes
- Prepare lesson plans, worksheets, and practice materials
- Help students improve problem-solving and exam skills
- Track student progress and provide regular feedback
- Maintain punctuality, professionalism, and teaching quality
- Coordinate with the academic team when required

Eligibility Criteria:

- Prior teaching experience is mandatory
- Strong knowledge of Mathematics and Reasoning subjects
- Excellent communication and explanation skills
- Comfortable using online teaching tools like Google Meet or Zoom
- Ability to engage students effectively in online classes
- Reliable internet connection and proper teaching setup

Work Details:

- Mode: Online / Remote teaching
- Flexible teaching schedule
- Expected working hours: Minimum 35 hours per week

Benefits:

- Opportunity to work with an online tutoring platform
- Flexible schedule
- Supportive academic team
- Competitive pay based on experience and expertise
