REMOTE MICROSOFT AZURE AND ACTIVE DIRECTORY

BASE SALARY

INR 50000 - INR 60000

DESCRIPTION

Company Name: Grey Space Computing
Location: Remote (Work From Home)
Job Type: Contract
Salary: Up to ₹60,000 per year
Contact: salvi.p@greyspacecomputing.com

Role Overview

This position is ideal for professionals experienced in cloud infrastructure and identity management. You will work on setting up Microsoft Azure and Active Directory for the team and ensure secure access and smooth configuration.

Main Responsibilities & Tasks

- Set up and manage Microsoft Azure access for team members
- Configure Azure Active Directory (AD) with users, roles, and permissions
- Ensure proper security settings, including MFA and access controls
- Integrate Azure AD with other Microsoft services if required
- Maintain user provisioning and identity management
- Provide documentation and basic training or handover
- Offer support during and after setup if needed

Eligibility & Skills Required

- Strong experience with Microsoft Azure and Azure AD setup
- Good understanding of cloud infrastructure and identity systems
- Knowledge of user access management and security policies
- Ability to work independently and meet deadlines

HIRING ORGANIZATION

Grey Space Computing

EMPLOYMENT TYPE

Full-time, Contractor

JOB LOCATION

? Remote work from: India

DATE POSTED

? March 28, 2026

- Good communication skills
- Availability during IST working hours (at least partially)

Preferred Qualifications

- Azure certifications (AZ-104, AZ-500, etc.)
- Experience with third-party integrations or on-prem AD
- Knowledge of cloud security best practices

Work Details & Flexibility

- Fully remote contract-based work
- Flexible collaboration with team during IST hours
- Project-based setup and support role

Why Consider This Role

- Opportunity to work on real cloud infrastructure setup
- Flexible remote working
- Short-term project with clear deliverables
- Exposure to enterprise-level Azure environment

How to Apply

Send your resume or portfolio along with a short note about your Azure and Active Directory experience. Also include your availability and expected rate.
