# REMOTE PDF ACCESSIBILITY EXPERT INDIA

## BASE SALARY

INR 10000 - INR 12000

## DESCRIPTION

### PDF Accessibility Expert

Company Name: Nexografix Private Limited

Job Type: Full-time

Location: Saharsa, Bihar

Salary: ?10,000 – ?12,000 per month

Experience: 4-5 Years

Work Mode: Remote / Hybrid

Open Positions: 2

Nexografix Private Limited is looking for PDF Accessibility Experts. The company is growing its Accessibility and Digital Publishing team. Experienced candidates can apply for this opportunity.

### Contact Details

Email: [info@nexografix.com](mailto:info@nexografix.com)

Nexografix works on accessibility and digital publishing projects. The company helps organizations make digital content accessible for everyone. You will work on important accessibility projects and contribute to quality improvements.

This position is suitable for candidates who have experience with accessibility standards and testing tools. Good attention to detail is important. Candidates should be comfortable working on accessibility reviews and compliance testing.

### **Key Responsibilities**

- Perform PDF accessibility remediation
- Work with PDF/UA standards
- Test documents for WCAG 2.1 compliance
- Test documents for WCAG 2.2 compliance
- Follow Section 508 requirements
- Follow ADA accessibility standards
- Create and review alt text
- Perform accessibility quality checks
- Validate accessibility requirements
- Test using JAWS
- Test using NVDA
- Test using VoiceOver
- Prepare accessibility reports
- Maintain project documentation

You will review digital documents and identify accessibility issues. You will help improve content for screen reader users. You will also prepare reports and support quality assurance activities.

### **Required Skills**

- 4-5 years of accessibility experience
- Knowledge of PDF accessibility
- Knowledge of WCAG guidelines
- Knowledge of Section 508 standards
- Knowledge of ADA standards
- Experience with accessibility testing
- Experience with JAWS
- Experience with NVDA
- Experience with VoiceOver
- Good documentation skills
- Good reporting skills

Candidates should be able to work independently. Strong problem-solving skills will be helpful. Good communication skills will also be beneficial for this position.

### **Benefits**

- Remote work option
- Hybrid work flexibility
- Professional growth opportunities
- Exposure to accessibility projects
- Supportive work environment

This is a good opportunity for accessibility professionals. You will work on meaningful projects and gain valuable experience in digital accessibility and publishing.

## How To Apply

Interested candidates can send their updated resume using the contact details below.
