About The Work

Teachers will conduct live online classes for international students. Candidates will also prepare study material and help students with assignments.

Teaching timing is mainly between 5 PM to 11 PM. Minimum 3 sessions per booked day are expected.

Responsibilities

- Take live online classes
- Prepare PPTs and notes
- Create worksheets and question banks
- Review assignments
- Give student feedback
- Maintain professional communication
- Handle online classroom teaching smoothly

Eligibility

- Master's degree in relevant subject
- B.Tech M.Tech MCA accepted for some subjects
- Minimum 1 year teaching experience
- Good English communication
- Basic online teaching tool knowledge

Preferred Skills

- Cambridge AS and A Level teaching for Maths and Physics
- Biochemistry background for Biology and Chemistry
- Computer Science teaching experience preferred

Technical Requirements

Candidates must have proper work setup at home.

- 100 Mbps fiber internet
- UPS or inverter backup
- Pen tab or tablet with stylus
- Webcam and microphone
- Laptop or PC

Knowledge of Zoom Google Meet PowerPoint Google Docs and online whiteboards is preferred.

Salary Details

Teachers are paid on daily teaching basis.

- ₹1,000 to ₹1,500 per teaching day
- Monthly income depends on booked teaching days
- More teaching days can increase earnings

During the first few months candidates may start with fewer teaching days. Later workload can increase based on performance.

Benefits

- Work from home opportunity
- Flexible schedule
- Internet reimbursement
- Phone bill reimbursement
- Long term growth
- PF and health insurance from second year

Women returning to work are also encouraged to apply.
