Job Details

- Position: Social Media Product Promoter
- Company: manoj & co
- Job Type: Commission Based
- Work Mode: Remote
- Hours: Flexible
- Pay Model: Performance Based

About the Work

You will share the product catalog on your social media accounts and WhatsApp. You will help generate customer orders from your audience. After that, you will forward the confirmed orders to the company.

This role is suitable for active social media users. A good reach and engagement can help you earn more.

Earnings

- ₹500 for every 10 successful orders.
- Extra bonuses for monthly sales targets.
- No investment required.

Eligibility

- At least 1,000 WhatsApp contacts with good status views, or
- At least 500 followers on Instagram Facebook or another platform with good engagement.

Key Responsibilities

- Share product catalog posts.
- Promote products on WhatsApp and social media.
- Generate customer orders.
- Forward confirmed orders to the company.
- Support monthly sales growth.

Required Skills

- Social media activity.
- Good network reach.
- Basic promotion skills.
- Relationship handling.
- Communication skills.
- Interest in fashion products.

How to Apply

Send the following to **mrfrictionman@gmail.com**.

- Your name.
- Your contact number.
- A screenshot of your Instagram or other social media profile showing followers.
- Or screenshots of your WhatsApp status views.
