## REMOTE TELECALLER INTERNSHIP, FRESHERS APPLY FAST

### BASE SALARY

INR 8326 - INR 12000

### DESCRIPTION

**Telecaller Intern, Remote Work From Home**

**Company:** WebNest

Remote Work From Home

Internship Duration: 2 to 3 Months

Salary: ₹8,326 to ₹12,000 per month

Flexible Timing

Email: [webnest08@gmail.com](mailto:webnest08@gmail.com)

WebNest is looking for Telecaller Interns for remote work. This internship is good for students and freshers. Candidates who want communication and sales experience can apply. The work is simple and easy to learn. Training and support will be provided by the team.

The selected candidates will call business owners and explain company services. You will help the company find new clients for website development and digital services. You have to talk politely and maintain proper communication with interested customers. Follow up calls will also be part of the work.

### Responsibilities

- Call potential clients and explain services
- Generate leads for website projects
- Maintain basic client records
- Follow up with interested businesses
- Communicate in a professional way

Candidates should have good speaking skills in Hindi or English. Basic knowledge of websites will be helpful. A smartphone or laptop with internet connection is required. Freshers can also apply easily. Positive attitude and learning mindset are important for this internship.

### **Benefits**

- Work from home opportunity
- Flexible work timing
- Internship certificate
- Experience letter
- Startup work experience
- Performance based incentives

This internship is suitable for college students and freshers. Candidates interested in telecalling sales or client communication can also apply. Good communication and confidence will help in this internship.
