Apply Here: hr@gmedigitalsolutions.com

GME Digital Solutions is hiring Lead Generation Executives for the US market. Candidates will handle outbound calling and customer communication. This is a remote full time opportunity. Candidates with telesales experience can apply. Freshers with strong communication skills may also apply.

The company is looking for confident candidates who can speak in fluent English. Candidates should be comfortable with night shifts and sales targets. Daily calling and lead generation work will be part of this position. Good communication and customer handling skills are important for this work.

Work Responsibilities

- Make outbound calls to US customers
- Generate leads and explain services
- Handle customer questions professionally
- Maintain CRM records and follow ups
- Achieve daily and weekly targets

- Share updates with team leaders

Candidates with telesales or telecalling experience will get preference. Knowledge of CRM software and remote tools will be helpful. Candidates should have good persuasion skills and a professional attitude. Ability to work in a fast paced environment is important for this opportunity.

What Company Offers

- Work from home setup
- Attractive performance bonuses
- Unlimited incentive earning opportunity
- Training and career growth support
- Friendly and supportive team environment
- Performance rewards and benefits

This opportunity is suitable for candidates interested in telesales customer handling and lead generation. Candidates who are comfortable with US market calling and night shift timing can apply easily.
