About the Company & Position

Thepratibhaaa is hiring a creative Video Creator to produce engaging short-form videos, custom motion graphics and original 2D animations. The candidate will manage video projects from initial concepts to final exports while maintaining brand consistency.

Key Responsibilities

- Edit Reels and Shorts using raw footage and voice notes, including hooks, captions, pacing and sound design.
- Create engaging B-roll sequences to improve storytelling and viewer retention.
- Design custom motion graphics, animated explainers, product reveals and text animations.

HIRING ORGANIZATION

Thepratibhaaa

EMPLOYMENT TYPE

Full-time

JOB LOCATION

? Remote work from: India

- Build original 2D character and object animations.
- Handle storyboarding, editing and final video exports.
- Maintain brand consistency across different platforms.

Requirements

- At least 2 years of hands-on experience in video editing and motion graphics.
- Strong command of Adobe After Effects, Premiere Pro or DaVinci Resolve, and CapCut.
- Portfolio showcasing edited Reels/Shorts and original animations created from scratch. Template-heavy portfolios will not be considered.
- Good understanding of sound design, music selection, video pacing and typography.
- Availability to work Monday to Saturday on the specified split-shift schedule.

Benefits

- Work from home

How to Apply

Send your resume and portfolio/showreel to **Thepratibhaaa@gmail.com**.

Your portfolio should include:

- 2–3 edited Reels or Shorts, preferably showing raw-to-final transformations.
- 2–3 examples of original motion graphics or 2D animations created from scratch.
