About the Work

You will edit videos for different online platforms. The work includes social media videos, website content, and other digital projects. You will work with the creative team and help turn raw footage into finished videos.

You should understand simple storytelling and know how to keep videos engaging. You

should also complete projects on time while maintaining good quality.

Key Responsibilities

- Edit videos for social media and digital platforms
- Cut and arrange video clips properly
- Add music sound effects and basic transitions
- Create attractive YouTube thumbnails
- Work with the creative team on different projects
- Deliver completed videos before deadlines
- Keep learning new editing techniques

Skills and Requirements

- Fresher or experienced candidates can apply
- Good knowledge of video editing software
- Adobe Premiere Pro is preferred
- Basic knowledge of YouTube thumbnails
- Motion graphics knowledge is an added advantage
- Good communication skills
- Able to work independently and with a team

How to Apply

Interested candidates can share their resume, portfolio, and a short cover letter through WhatsApp.
