REMOTE VIDEO EDITOR | TELUGU CONTENT PROJECTS

BASE SALARY

INR 8000 - INR 10000

DESCRIPTION

Video Editor

Company: Iklare

Work Mode: Remote

Working Hours: 11:00 AM to 6:00 PM

Salary: ?8,000 – ?10,000 per month

Iklare is hiring a full-time Video Editor for its social media marketing agency. This is a remote work from home opening. Freshers and experienced candidates can both apply.

The company is looking for someone who can edit talking head videos and long-form content. A strong portfolio is mandatory for this role. Candidates must know both Telugu and English.

This is a remote role. So no city or state needs to be added here. The company has shared an email ID for application.

Job Overview

The selected candidate will work on video editing projects for a social media marketing agency. The work will be full-time and fully remote. You will work on real client projects and support content delivery.

Candidates who do not know Telugu should not apply for this opening. Applications without a portfolio will not be considered.
