Contact Email: theartsycraftsmen@gmail.com

TAC Productions is hiring a Photo Editor and Colorist. This is a remote project-based role. The work is for wedding photo editing and color grading. Prior experience in wedding edits is mandatory.

The company works in premium South Indian and destination wedding photography. They want someone who can keep a warm and cinematic style in every edit. The work should look clean and consistent across albums.

You will color grade and retouch wedding photos. You will also handle batch editing. The role needs speed and consistency. You should be able to meet deadlines during busy wedding season work.

What You Will Do

HIRING ORGANIZATION

TAC Productions

EMPLOYMENT TYPE

Part-time

JOB LOCATION

? Remote work from: India

- Color grade wedding photos
- Retouch images to match the brand style
- Handle batch editing work
- Maintain consistency across albums
- Complete edits on time
- Work independently in a remote setup

The company wants strong skills in Lightroom and Photoshop. A good eye for color tone and mood is important. Warm natural and editorial style editing is preferred.

Experience in wedding or portrait photography editing is required. South Indian wedding editing experience will be a strong plus. Familiarity with Imagen AI Evoto or similar batch tools will also help.

Requirements

- Minimum 2 years of experience
- Wedding photo editing experience mandatory
- Strong Lightroom and Photoshop skills
- Good sense of color tone and mood
- Ability to work independently
- Ability to meet deadlines
- Batch editing workflow knowledge is a plus

The pay is project-based. Each project can range from ?2,000 to ?15,000 depending on scope. The company says the work is remote and can be done from anywhere.

Interested candidates should share their best edited sample images. Before and after samples are preferred if available. They should also share turnaround time and expected rate range.
