### Job Description:

We are from VData Tech Madurai having our new process: US Medical Form Filling Project.

Exciting opportunity for individuals and centers to participate in our US Medical Form Filling process, accommodating single and bulk systems. The project involves processing 3000 data points over 15 consecutive days, including Sundays, under an 11-month contractual agreement. Suitable laptops or computer systems are required for this offline process. For further details and to express interest, please contact **7708244092**.
