This work is about managing social media pages and posting content regularly. You will show farm activities and help build an online presence. Creativity and consistency are important for this work.

Content Creation Work

- Create posts for Instagram and Facebook
- Upload photos, reels, and short videos
- Share daily farm updates and activities
- Show mushroom growing process

Engagement Tasks

- Reply to messages and comments
- Interact with followers regularly

- Help increase reach and page growth

Basic Requirements

- Knowledge of social media platforms
- Able to shoot photos/videos on phone
- Creative thinking and consistency
- Interest in farming or food is a plus

Simple ideas and regular posting can help grow the brand.
