Email: nishit@opusmomentum.com

This role is for social media work. You will handle different brand accounts. Work is creative and simple. You need good ideas and basic tools knowledge.

You will create posts and manage pages. You will talk to audience and grow accounts. Work is fully remote.

Skills Required

- Social media platforms knowledge
- Basic content writing in English
- Canva, CapCut or similar tools
- Understanding of trends
- Basic analytics knowledge

Hindi writing is a plus. You should understand brand style.

Responsibilities

- Create posts, reels, and content
- Manage monthly content calendar

- Write captions and hashtags
- Coordinate with design team
- Track performance and reports
- Reply to comments and messages
- Follow trends and updates

Work needs creativity and consistency. You may handle multiple accounts.

Requirements

- Graduation (preferred in marketing or communication)
- 1–5 years experience
- Own laptop required
- Stable internet connection

You should be self-managed. No micromanagement.

Benefits

- Remote work
- Work with global clients
- Learning and growth
- Creative work environment

You can grow in digital marketing field.

How to Apply

Send your resume and portfolio links by email. Share your past work clearly.
