Job Overview

This role is for store work in a fashion rental brand. The main work is to manage daily store activity, lead the team, and help in sales. The person should give good customer service and keep store work smooth.

Key Responsibilities

- Lead the sales team in store
- Help in sales growth and target work
- Give good service to every customer
- Manage inventory and visual display
- Keep daily store work smooth and correct
- Follow company rules and store standards

What They Need

The company is looking for someone with retail management knowledge, mostly in fashion retail. Good leadership, clear communication, and a sales mind are needed. The person should be neat, organized, and ready to work evenings and weekends too.

Qualifications

- Retail management experience is preferred
- Fashion retail background is a plus
- Strong leadership skill
- Good communication skill
- Organized and detail minded person

Benefits

The role comes with salary support, incentives, and growth chances. Employee discount and other benefits are also part of the package. The work culture is positive and inclusive.

How to Apply

Send your resume on WhatsApp or email. Shortlisted candidates will be contacted for next step.
