About the Company

Votiko Solutions provides IT support services to international clients. We help customers solve technical issues and offer smooth service experiences. Our team works remotely while connecting with clients worldwide.

Looking for a Technical Support Executive to handle international customers. You will support clients via calls, emails, and chat while working from home during night shifts.

Responsibilities

- Take inbound and make outbound calls to customers
- Answer emails and chats from international clients
- Solve technical and service-related problems
- Keep CRM records updated
- Ensure customers are happy with the support

Requirements

- IT or technical background preferred
- Minimum 1 year experience

- Speak and write English well
- Good communication and problem-solving skills
- Can work night shifts
- Self-motivated and target-driven

How to Apply

Send your CV to hr@votiko.com or contact via WhatsApp/Phone **+91 8511539085 / +91 8980851139**
