About the Work

You will talk to restaurant owners. You will explain company services in a simple way. You will help generate leads and build good client contact.

This work needs clear English speaking skills. You should also be comfortable using basic computer tools. A positive attitude will help a lot.

Responsibilities

- Make outbound calls to restaurants
- Explain company services and offerings
- Generate and qualify leads
- Follow up with interested prospects
- Maintain call records and updates

Requirements

- Good English communication skills
- Basic computer knowledge
- Positive attitude
- Willingness to learn
- Freshers can apply
- Experienced candidates can also apply

Who Can Apply

Recent graduates can apply. Final-year students can also apply. Candidates with 0 to 6 months of experience are eligible too. This is a good start for someone who wants to grow in sales and communication.

How to Apply

Send your details to the email given above. You can also connect on WhatsApp for more information.
