Location: Remote (Work From Home)

Job Type: Freelance / Contract

Salary: ₹750 per audio hour

HR Contact: +91 9423677636

Join Globel Recording Network as a Telugu, Tamil and Kannada Transcription Specialist. This is a remote freelance opportunity. You will help create high-quality transcription data for AI speech recognition projects.

Company: Globel Recording Network

Position: Telugu, Tamil and Kannada Transcription Specialist

You will listen to Telugu, Tamil or Kannada audio recordings and convert them into accurate text. Your work will help improve AI language and speech recognition systems.

Eligibility:

- Minimum 1 year of transcription experience in Telugu, Tamil or Kannada.
- Native or fluent in Telugu, Tamil or Kannada.
- Excellent listening and typing skills.
- High attention to detail.
- Laptop or desktop with a stable internet connection.
- Ability to meet deadlines and follow project guidelines.

Key Responsibilities:

- Transcribe Telugu, Tamil or Kannada audio into text.
- Maintain high accuracy and quality.
- Follow transcription guidelines.
- Complete assigned work within deadlines.

Benefits:

- Work from home.
- Flexible working hours.
- Competitive pay.
- Opportunity to work on AI projects.
- Ongoing freelance work.

How to Apply:

Send your updated resume through WhatsApp. Shortlisted candidates will be invited for a transcription assessment.
