#### About the Company

NCR Eduservices is an education-focused organization committed to delivering quality learning experiences. They specialize in online teaching, offering programs aligned with both Indian and international curricula, ensuring students receive personalized and effective education.

We are seeking a dedicated TGT Mathematics Teacher to conduct engaging one-on-one online sessions. The role focuses on strengthening students' mathematical understanding, guiding them through assignments, and preparing them for exams across multiple curricula.

#### Key Responsibilities & Role Details

- Conduct one-on-one online Math tutoring sessions
- Prepare and deliver structured lesson plans tailored to students' needs
- Explain mathematical concepts clearly and effectively
- Assess student performance and provide regular feedback
- Support students with homework and exam preparation
- Adapt teaching methods for different learning styles
- Teach Indian (CBSE, ICSE) and International curricula (IGCSE, IB MYP, others)
- Maintain a positive and supportive learning environment

#### Eligibility & Skills Required

- Graduate in Mathematics (B.Sc. / B.A. in Mathematics)
- Minimum 1 year of teaching experience (domestic or international)
- Prior experience in online teaching preferred
- Strong knowledge of Grade 1–10 Mathematics syllabus
- Excellent communication and presentation skills
- Proficient with online teaching tools and technology
- Good time management and organizational skills

#### **Additional Requirements**

- Stable internet connection and suitable work-from-home setup
- Availability to work in the assigned shift
- Passion for teaching and student development

#### **How to Apply**
