NCR Eduservices is hiring online tutors. The job description specifies **Mathematics tutoring** for students in Grades 1–10, although the listing title says Science Expert.

Responsibilities

- Conduct one-to-one online classes.
- Explain concepts and problem-solving methods.
- Prepare lessons for student assessments.
- Adapt teaching methods to students' needs.
- Create a supportive learning environment.

Requirements

- Bachelor's degree in Mathematics; Master's preferred.
- Previous Maths teaching or tutoring experience.
- Excellent written and verbal communication.
- Knowledge of online tutoring platforms.
- Strong mathematical concepts and lesson-planning skills.

How to Apply

Send your updated CV to **kashish.pandey@jobors.com** or WhatsApp **+91 7897404769**.
