About the Work

Ottawa Tech Heroes is hiring an experienced Content Writer. The work is for SEO content writing. The focus is on the U.S. market.

This is a night shift remote opportunity. The company wants someone who can write strong, clear, and search-friendly content.

What the Work Includes

You will create different types of content. The work should be original, useful, and well-optimized.

Key Responsibilities

Writing Work

- Write website content
- Write SEO blogs
- Write service pages
- Write landing pages
- Write guest posts
- Write AI-optimized content

SEO Work

- Use keywords properly
- Improve content for rankings
- Follow SEO content strategies
- Support search-friendly content creation

Project Handling

- Handle U.S.-based projects
- Communicate in U.S. English clearly
- Manage multiple tasks at once
- Meet deadlines on time
- Work independently with responsibility

Requirements

- Minimum 2 years of SEO content writing experience
- Experience with U.S. market content
- Strong written and spoken U.S. English
- Good understanding of SEO
- Knowledge of keyword placement
- Ability to work on night shift
- Creative and detail-oriented nature
- Serious and responsible approach

Shift Details

- 8:30 PM to 5:30 AM IST
- Monday to Saturday
- Second and Fourth Saturday off
- Sundays off

Why This Work Is Good

This is a good fit for experienced writers. The work is remote. The shift is fixed. The projects are for the U.S. market, so strong English and SEO skills are very important.

How to Apply

Send your resume through WhatsApp or call Mr. Manish at the number below. Interviews

will happen after 8:30 PM IST.
