Adarsh IT Solutions is hiring a **Video Editing Intern / Creator** for remote work. The intern will create video content for AITS School ERP and other IT products.

This opportunity offers practical experience in video editing motion graphics and digital storytelling. Candidates should have a creative approach and an interest in social media content.

Key Responsibilities

- Create reels and short videos.
- Create explainer videos for AITS School ERP.
- Create content for Instagram Facebook and LinkedIn.
- Develop trending social media videos.
- Use creative storytelling techniques.
- Add motion graphics and visual effects.
- Complete assigned work within deadlines.

Requirements

- Good video editing skills.
- Basic knowledge of motion graphics.
- Understanding of AI tools for content creation.
- Knowledge of trending reel formats.

- Good storytelling skills.
- Interest in digital media.
- Willingness to learn.
- Ability to meet deadlines.

What You Will Get

- Hands-on experience with real IT projects.
- Mentorship from tech experts and founders.
- **Internship Certificate.**
- Practical corporate and IT industry exposure.
- Flexible work schedule.
- Work From Home.

How to Apply

Send your **CV or Resume with a portfolio or previous work samples** to:

Email: info@adarshit.in
