Job Overview

We are hiring a creative Video Editor & Graphic Designer who can handle end-to-end content creation. This role is ideal for candidates who enjoy storytelling, design, and working with modern AI tools.

Key Responsibilities & Creative Work

- Manage complete video and graphic projects from idea to final output
- Create reels, ads, and short-form videos
- Edit videos with effects, transitions, and sound design
- Design social media posts, infographics, and presentations
- Develop content aligned with brand guidelines
- Convert ideas into engaging visual stories
- Work with marketing team for campaigns
- Maintain quality and timely delivery

AI & Tools Usage

- Use AI tools like Runway, Pika, Midjourney, DALL-E, HeyGen, Synthesia, Descript
- Apply AI for faster content creation and better output

Required Skills & Qualifications

- Bachelor's degree in Design / Multimedia / Animation
- 2+ years experience in video editing & graphic design
- Tools: Adobe Premiere Pro, After Effects, Photoshop, Illustrator, InDesign
- Strong storytelling and creative thinking skills
- Knowledge of motion graphics and short-form content

Preferred Skills

- Experience in digital marketing or agency
- Understanding of social media trends
- Basic knowledge of branding and user behavior

What Company is Looking For

- Creative mindset with ownership
- Ability to work independently
- Focus on engagement and performance-based content

How to Apply

Send your resume and portfolio (top 3 videos) via email or WhatsApp.
