SpeedGodz is hiring **Video Editor, Graphic Designer, and Videographer Interns** for a remote work from home internship. Selection will be based primarily on the candidate's portfolio and demonstrated creative skills.

This is an opportunity to gain practical experience while working on real design and video projects.

Available Roles

- Video Editor Intern
- Graphic Designer Intern
- Videographer Intern

Required Skills

- Video editing
- Adobe Photoshop
- Adobe Illustrator
- Adobe InDesign
- Graphic design
- Creative content development
- Strong visual sense

Eligibility

- Candidates with relevant design or video editing skills can apply
- A strong portfolio is important
- Practical skills and creative work will be considered during selection
- Candidates should be comfortable working remotely

Internship Benefits

- Work from home
- Flexible working hours
- Hands-on industry experience
- Portfolio-building opportunity
- Monthly stipend based on portfolio and skills

Selection Process

Selection is **portfolio-based**. Candidates should be prepared to share their previous design, video editing, or videography work.
