About the Hospital

Dr. Kamakshi Memorial Hospital is a well-known healthcare institution in Chennai, offering advanced medical services and patient care. The hospital provides a professional environment for doctors to grow and gain clinical experience.

Role Overview

This role is for Duty Medical Officers who will work across ER, ICU, and ward units. You will be responsible for patient care, diagnosis support, and coordinating with senior doctors and medical teams.

Key Responsibilities & Clinical Duties

- Provide medical care and support to patients
- Assist in diagnosis and treatment planning
- Handle ER, ICU, and ward responsibilities
- Maintain accurate medical records and reports
- Follow hospital protocols and safety standards
- Coordinate with consultants and medical staff
- Support junior doctors and healthcare team

Eligibility & Requirements

- MBBS degree (TNMC Registered mandatory)
- 0–5 years of experience
- Willing to work in rotational shifts (including night duty)
- Strong clinical knowledge and patient handling skills

Documents to Carry

- Updated Resume
- TNMC Registration Certificate

Why Consider This Role

- Work in a reputed hospital
- Exposure to multiple departments (ER/ICU/Ward)
- Strong clinical learning environment
- Career growth in healthcare sector

How to Apply

You can directly visit the hospital for walk-in interview or contact for details.

Walk-in Address:

1, 200 Feet Radial Road, Dandeeswarar Nagar, Rose Avenue, Pallikaranai, Chennai – 600100
