Email: hr@skillcrewgroup.com

This position is for warehouse helper role. Work will be in Cyprus. Person should be physically fit and ready to do daily warehouse tasks. This is simple work but needs energy and discipline.

About the Role

This role is for helping in warehouse daily work. Person will support team in loading, unloading, and managing stock. Work environment can be fast and active. Candidate should be ready for physical work.

Immediate joiners are preferred for this role.

Main Responsibilities

- Help in loading and unloading goods
- Arrange stock properly in warehouse
- Keep work area clean and safe
- Support team in daily tasks
- Check items and maintain basic record
- Follow instructions given by supervisor

Basic Requirements

Candidate should be hardworking and reliable. Physical fitness is important because work includes lifting and moving items.

Good attitude and team support nature is needed. No high qualification is mentioned, but basic understanding of work is helpful.

Application Process

Interested candidates should send updated CV and documents as soon as possible. Selection is urgent so fast response is better.

Send CV on email or WhatsApp.
