Pay: ?1,000.90 per hour

Contact on WhatsApp: +91 7077147695

About the Work

Veloron Films is hiring wedding video editors for international wedding films.

This is not for reel editing or social media content.

They want editors who understand story, emotion, and premium flow.

The work needs a global standard and a clean finish.

What You Will Do

You will edit wedding films with a cinematic style.

You will choose the best clips.

You will match music with scenes properly.

You will make teasers, highlights, and full films.

You will follow deadlines and keep a professional workflow.

Requirements

- Fluent English communication

- Strong storytelling sense
- Good clip selection skill
- Ability to work on large files
- Good deadline discipline
- Experience with wedding editing
- Understanding of different client styles and cultures

Software Details

Please mention clearly which software you use.

Also share your years of experience.

System details are optional, but preferred.

What to Send

- Resume or portfolio
- Editing software details
- Experience details
- 5 wedding film links
- Trailer or teaser link
- Highlight film link
- Full film link
- Timeline proof for at least 1 to 2 projects

For timeline proof, send a screen recording.

Mobile camera recording is also accepted.

This helps verify your original work.

Payment Details

Payment is given per wedding project.

Teaser pay is separate.

Highlight film pay is separate.

Full film pay is separate.
