Job Overview

This position is for teaching English online to students. You will conduct one-on-one tutoring sessions and help students improve their English skills. The role also includes planning lessons and tracking student progress.

The company wants someone who is patient, clear, and student-focused. You should be able to teach in an online setting and support learners with regular feedback.

Key Responsibilities

- Conduct one-on-one online tutoring sessions
- Teach English Language and Literature to students up to Grade 10
- Create lesson plans based on student needs
- Give feedback to improve reading, writing, grammar, vocabulary, and comprehension
- Track student performance and academic progress
- Adjust teaching methods for different learning styles
- Communicate with parents about student progress
- Keep records of lessons, assessments, and achievements

Required Qualifications

- Bachelor's degree in English Literature, English, Education, or a related field
- Minimum 1 year of teaching or tutoring experience
- Strong knowledge of English grammar, vocabulary, punctuation, writing, and comprehension
- Good verbal and written communication skills
- Ability to motivate students in an online classroom
- Patient and empathetic teaching style

Preferred Qualifications

- Experience teaching international students
- Experience in online tutoring or virtual classrooms
- Familiarity with digital teaching tools
- Good classroom management skills
- Strong student engagement skills

Technical Requirements

Candidates must have:

- Personal desktop or laptop
- High-speed broadband internet
- Reliable power backup
- Quiet and professional teaching space

Training Details

The company provides a **2-week training program**. Ongoing academic support and mentoring are also available.

What the Company Offers

- Work from home flexibility
- Opportunity to teach international students
- Structured training and support
- Continuous learning and professional growth

- Collaborative and student-focused work environment
